# GEOGRAPHY (SPECIFICATION A) Unit 7 Fieldwork Investigation

GGA7

Wednesday 18 June 2008 9.00 am to 11.00 am

#### For this paper you must have:

- pre-release material (previously despatched)
- a calculator.

Time allowed: 2 hours

### **Instructions**

- Use black ink or black ball-point pen.
- Fill in the boxes at the top of this page.
- Answer all questions.
- You must answer the questions in the spaces provided. Answers written in margins or on blank pages will not be marked.
- Do all rough work in this book. Cross through any work you do not want to be marked.
- Figures and page numbers pre-fixed **P** are to be found in the pre-release book.

#### **Information**

- The maximum mark for this paper is 100.
- The marks for questions are shown in brackets.
- You will be marked on your ability to use an appropriate form and style of writing, to organise relevant information clearly and coherently, and to use specialist vocabulary where appropriate. The legibility of your handwriting and the accuracy of your spelling, punctuation and grammar will also be considered.

#### Advice

Where appropriate, credit will be given for the use of diagrams to illustrate answers and where reference is made to your personal investigative work. You are advised to allocate your time carefully.
