General Certificate of Education Advanced Subsidiary Examination January 2013

# Information and Communication Technology INFO1

Unit 1 Practical Problem Solving in the Digital World

Thursday 17 January 2013 9.00 am to 10.30 am

### For this paper you must have:

- your Sample Work and attach it with a completed and signed Candidate Record Form to this question paper/answer booklet at the end of the examination.
- Insert for use with Questions 1, 3 and 6 (enclosed).

#### Time allowed

1 hour 30 minutes

#### Instructions

- Use black ink or black ball-point pen. Use pencil only for drawing.
- Fill in the boxes at the top of this page.
- Answer all questions.
- You must answer the questions in the spaces provided. Do not write outside the box around each page or on blank pages.
- Do all rough work in this book. Cross through any work you do not want to be marked.

## Information

- The marks for questions are shown in brackets.
- The maximum mark for this paper is 80.
- Question 7 should be answered in continuous prose.
   In this question you will be marked on your ability to:
  - use good English
  - organise information clearly
  - use specialist vocabulary where appropriate.

**Warning** If you do not hand in both this question paper/answer booklet and your Sample Work it may not be possible to issue a result for this unit.

# Section B

|       | Answer all questions in the spaces provided.  |
|-------|---|
| 5     | Answer this question using the Sample Work that you have brought into the examination with you.   |
|       | For this question:  |
|       | <ul> <li>you must give the page number of where the evidence for your answer may be<br/>found in your Sample Work.</li> </ul>             |
|       | <ul> <li>you must write the question number in the margin of that page in your Sample<br/>Work.</li> </ul>                                |
| 5 (a) | Give the page number in your Sample Work where you identify your Client's requirements.   |
|       | Page In your Sample Work, write '5(a)' in the margin of that page next to your evidence.  |
|       | Give <b>one</b> of your Client's requirements from your Sample Work and explain how you would evaluate that the requirement had been met. |
|       |   |
|       |   |
|       |   |
|       |   |
|       |   |
