Unit 2: Reading and Writing

Mark Scheme

Mark schemes are prepared by the Principal Examiner and considered, together with the relevant questions, by a panel of subject teachers. This mark scheme includes any amendments made at the standardisation events which all examiners participate in and is the scheme which was used by them in this examination. The standardisation process ensures that the mark scheme covers the candidates' responses to questions and that every examiner understands and applies it in the same correct way. As preparation for standardisation each examiner analyses a number of candidates' scripts: alternative answers not already covered by the mark scheme are discussed and legislated for. If, after the standardisation process, examiners encounter unusual answers which have not been raised they are required to refer these to the Principal Examiner.

It must be stressed that a mark scheme is a working document, in many cases further developed and expanded on the basis of candidates' reactions to a particular paper. Assumptions about future mark schemes on the basis of one year's document should be avoided; whilst the guiding principles of assessment remain constant, details will change, depending on the content of a particular examination paper.

2	Evidence of gaps in basic grammar. Common structures are not sound and some irregular verbs are suspect.
0-1	Errors are elementary

Section 3

Only **two** questions/essays to be selected, **each** to be marked according to the following criteria.

Reaction/Response	=	20 marks	(AO2)
Knowledge of Grammar	=	10 marks	(AO3)

	Reaction/Response (AO2)
16-20	Demonstrates a thorough knowledge and understanding of the topics/texts with a wide range of sources and evidence used. The answer is relevant and is wide-ranging in its treatment of the topics/texts/question. A good range of points evaluated with conclusions. Clear evidence of personal reaction, well illustrated/justified. Well balanced and coherent.
11-15	Demonstrates sound overall knowledge and understanding of the topics/texts. A good range of sources and guidance is used. The answer is generally relevant to the topic/question. Some attempt at evaluation and some personal reaction, not always convincingly justified. Clear structure and logical progression.

1-5	Demonstrates only limited knowledge and understanding of the topics/texts. Limited range of sources and evidence. Superficial examples. Little relevant reaction/opinion/evaluation, generally factual or descriptive, lacks structure and order.
0	The answer shows no relevance to the topic/texts/question. A zero source will automatically result in a zero score for the answer as a whole.

	Knowledge of Grammar (AO3)
9-10	The grammatical structures in the specification are used accurately. There are a few errors and these are of a minor nature.
7-8	Grammar is sound. Tenses and agreements are reliable and errors occur only in the most difficult areas.
5-6	The grammatical structures are known but success in applying them is inconsistent, especially in less common structures.
3-4	Evidence of gaps in basic grammar. Common structures are not sound and some irregular verbs are suspect.
