

General Certificate of Education
June 2006
Advanced Level Examination

PSYCHOLOGY (SPECIFICATION A) PYA4
**Unit 4 Social Psychology, Physiological Psychology,
Cognitive Psychology, Developmental Psychology
and Comparative Psychology**

Tuesday 13 June 2006 9.00 am to 10.30 am

For this paper you must have:

- a 16-page answer book

Time allowed: 1 hour 30 minutes

Instructions

- Use blue or black ink or ball-point pen.
- Write the information required on the front of your answer book. The *Examining Body* for this paper is AQA. The *Paper Reference* is PYA4.
- Answer **three** questions in total. These must be taken from **at least two** different sections.
- Where the term **research** appears in a question, you may refer to theories and/or studies as appropriate.
- Do all work in the answer book. Cross through any work you do not want marked.

Information

- The maximum mark for this paper is 76.
4 of these marks are for the Quality of Written Communication.
- The marks for questions are shown in brackets.
- You are reminded of the need for good English and clear presentation in your answers. All questions should be answered in continuous prose. Quality of Written Communication will be assessed in all answers.

Answer **three** questions in total. These must be taken from **at least two** different sections.

Where the term **research** appears in a question, you may refer to theories and/or studies as appropriate.
