## MARK SCHEME for the October/November 2010 question paper

### for the guidance of teachers

# 9707 BUSINESS STUDIES

9707/23 Paper 2 (Data Response), maximum raw mark 60

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

• CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2010 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

	GCE AS/A LEVEL – October/November 2010	9707	23

#### (c) Analyse the possible effects of Government economic policies on BB's activities. [8]

Economic policies can change spending patterns (interest rates, taxes, exchange rates etc.) and costs, hence profits.

Fiscal policies: taxation, spending. Can influence consumer spending hence sales and profits. Is this likely for this product? Can influence BB directly through corporation taxes, subsidies, grants.

Monetary policy: interest and exchange rates. Affects both customers (spending) and BB (cost of borrowing, raw materials, workers wages etc.) and changed costs means changed profits.

#### ARA

Knowledge and Application	Analysis
Level 2: Shows understanding of influence of Government economic policies/effects in context of the business. (3–4 marks)	Level 2: Analysis of effects in context. (3–4 marks)
Level 1: Shows understanding of Government economic policies/effects. (1–2 marks)	Level 1: Analysis of effects. (1–2 marks)

#### (d) Discuss how BB might respond to the difficulties that it faces.

[10]

Content could include:

- Declining market
- Competition (cheaper imports)
- Government pressures
- Consumers (drinks companies and their customers) more aware of waste issues
- Operational higher wastage

Possible responses:

- Extension strategies (alternative uses?)
- More environmentally-friendly bottles
- Reduce costs/increase efficiencies
- Translate research into new products/diversification
- New raw materials

#### ARA

Evaluation likely to come through prioritising difficulties/responses.

Knowledge and Application	Analysis and Evaluation
Level 2: Shows understanding of difficulties/ possible responses in context of the business. (3–4 marks)	Level 2: Evaluation of responses in context. (3–6 marks)
Level 1: Shows understanding of difficulties/ possible responses. (1–2 marks)	Level 1: Analysis of the methods of responding. (1–2 marks)

	GCE AS/A LEVEL – October/November 2010	9707	23

#### (c) Analyse how NU could promote the research facilities to businesses.

[8]

It's business-to-business promotion (NU to electronics companies) Usual methods of promotion not appropriate (TV etc.) Likely to be direct contact in some way

- Exhibitions
- Personal selling
- Ads in trade magazines
- Public relations.

#### ARA

Knowledge and Application	Analysis
Level 2: Shows understanding of promotion in the context of the business. (3–4 marks)	Level 2: Good analysis in context. (3–4 marks)
Level 1: Shows understanding of promotion. (1–2 marks)	Level 1: Limited analysis of methods of promotion. (1–2 marks)

# (d) Discuss how the management of NU might motivate its employees involved in the scheme. [10]

As described, what do employees get apart from more work and increased efficiency? Is that what they want?

Trade union might cause resistance.

Are researchers motivated by money? Can university afford to pay more? Bonuses for successful research? A share in the proceeds?

#### ARA

Evaluation likely to come from recognising the key factors.

Knowledge and Application	Analysis and Evaluation	
Level 2: Shows understanding of motivation in the context of the business. (3–4 marks)	Level 2: Evaluation of motivation. (3–6 marks)	
Level 1: Shows understanding of motivation. (1–2 marks)	Level 1: Analysis of motivation. (1–2 marks)
