

# COMPUTING

---

## GCE Advanced Level and GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 9691 (Computing) in the October/November 2010 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 11	90	62	56	31
Component 12	90	62	56	31
Component 13	90	62	56	31
Component 31	90	60	50	32
Component 32	90	60	50	32
Component 33	90	60	50	32

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
