

HINDUISM

GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 8058 (Hinduism) in the October/November 2011 examination.

| | maximum mark available | minimum mark required for grade: | | |
|-------------|------------------------------|----------------------------------|----|----|
| | | A | B | E |
| Component 1 | 100 | 70 | 60 | 30 |

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds.

The maximum total mark for this syllabus is **100**.

For this syllabus in this series the grade thresholds were as follows:

| Option | Combination of components | a | b | c | d | e |
|--------|---------------------------|----|----|----|----|----|
| | 01 | 70 | 60 | 50 | 40 | 30 |

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
