MATHEMATICS

GCE Advanced Level and GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 9709 (Mathematics) in the June 2006 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 1	75	61	53	26
Component 2	50	37	33	19
Component 3	75	64	59	31
Component 4	50	35	32	21
Component 5	50	38	33	17
Component 6	50	39	35	20
Component 7	50	37	33	19

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.

Boundaries for 8719 AS Level are lower than for the A Level syllabus.
