We invest constantly in research and development to improve our programmes and qualifications.

1.2 Why choose Cambridge IGCSE?

Cambridge IGCSE helps your school improve learners' performance. Learners develop not only knowledge and understanding, but also skills in creative thinking, enquiry and problem solving, helping them to perform well and prepare for the next stage of their education.

Cambridge IGCSE is the world's most popular international curriculum for 14 to 16 year olds, leading to globally recognised and valued Cambridge IGCSE qualifications. It is part of the Cambridge Secondary 2 stage.

Schools worldwide have helped develop Cambridge IGCSE, which provides an excellent preparation for Cambridge International AS and A Levels, Cambridge Pre-U, Cambridge AICE (Advanced International Certificate of Education) and other education programmes, such as the US Advanced Placement Program and the International Baccalaureate Diploma. Cambridge IGCSE incorporates the best in international education for learners at this level. It develops in line with changing needs, and we update and extend it regularly.

1.3 Why choose Cambridge IGCSE Afrikaans as a Second Language?

Cambridge IGCSE Afrikaans as a Second Language is recognised by universities and employers as proof of knowledge and understanding of the language. The syllabus is designed for students who already have a working knowledge of the language and who want to consolidate their understanding in order to progress in their academic or professional career. The qualification reflects the widespread use of Afrikaans in education and commerce, and also in entertainment, throughout Southern Africa.

Through their studies, students will learn how to use Afrikaans effectively in the type of situations, and Afrikaans-speaking environments, they will encounter in their daily lives. The aim is to achieve a level of practical communication ideal for everyday use, which can also form the basis for further, more in-depth language study.

1.4 Cambridge International Certificate of Education (ICE)

Cambridge ICE is the group award of Cambridge IGCSE. It gives schools the opportunity to benefit from offering a broad and balanced curriculum by recognising the achievements of learners who pass examinations in at least seven subjects. Learners draw subjects from five subject groups, including two languages, and one subject from each of the other subject groups. The seventh subject can be taken from any of the five subject groups.

Afrikaans as a Second Language falls into Group I, Languages.

2. Assessment at a glance

2.1 Scheme of assessment

The syllabus assesses candidates' ability to use Afrikaans as a medium of practical communication, and is aimed at students for whom Afrikaans is not a first language/mother tongue but for whom it is a lingua franca or language of study.

All candidates take Papers 1 and 2, and are eligible for the award of grades A* to G.

Paper 1	Duration	Weighting
Reading and Writing There are seven exercises testing reading, information transfer, note-making, summary writing and continuous writing.	2 hours	70%

Paper 2	Duration	Weighting
Listening There are four exercises: one true/false, one multiple choice and two comprehension exercises.	approximately 35–45 minutes	30%

Candidates may also take Paper 5. Marks for this optional Oral component do not contribute to the overall grade candidates receive for the written papers. Instead, where candidates perform to an appropriate standard, certificates record separately a grade from 1 (high) to 5 (low) for Speaking.

Paper 5	Duration	Weighting
Oral (optional)	approximately 10–15 minutes	n/a

Candidates write approximately 200–250 words of continuous prose, in response to a short stimulus (which may take the form of pictures) and/or short prompts printed on the question paper. Candidates are given a purpose, format and audience for writing. (Note: The tasks for exercises 5 and 7 will require different purposes/formats/audiences/register. For example, candidates might write an informal letter to a friend describing events during a holiday for Exercise 5, and a formal article for a school newspaper arguing whether or not sport should be made compulsory for Exercise 7.)
- Assessment objectives: W1, W2, W3, W4, W5, W6

Dictionaries may not be used.

Candidates listen to recorded texts (e.g. dialogues, interviews, conversations, talks) on a CD and answer questions testing comprehension. They hear each text twice. The invigilator of the examination controls the CD, not the candidate(s).

For details about rooms, equipment, acoustics, checking the CD in advance and guidance on acoustics, teachers/invigilators should consult the relevant sections of the *Cambridge Handbook*.

- Assessment objectives: L1, L2, L3, L4
- Total marks: 11

4.3 Paper 5: Oral (optional)

Oral tests take place during a period before the main examination series (see relevant series' timetable). Centres will receive materials for the test before this period, and the tests must take place as soon as possible after opening the material. The Centre must leave sufficient time to send material to Cambridge for external moderation by the advertised deadline.

Centres will receive at least five Oral Assessment Cards, with an accompanying set of teacher's notes. Each card introduces a topic for discussion between the teacher/examiner and the candidate, together with suggestions for the development of the conversation.

Each candidate will be examined using **one** Oral Assessment Card selected by the teacher/examiner from the range provided.

Each oral test lasts approximately 10–15 minutes, as follows:

- non-assessed 'warm-up' conversation (approximately 2–3 minutes)
- time for the candidate to read the Oral Assessment Card and to prepare a response (they may not make written notes) (approximately 2–3 minutes)
- assessed conversation (6–9 minutes)

A teacher/Examiner at the Centre assesses candidates using the Oral Assessment Criteria grid (see the *Oral Tests: Guidance for Centres* section later in this booklet).

The teacher/Examiner will usually be someone from the Centre's Afrikaans Language department, but could be someone local from outside the Centre.

The teacher/Examiner will conduct and internally assess the tests, and will submit a recorded sample of candidates' performances for external moderation by Cambridge. Centres will receive a brief report on the outcome of moderation.

Full instructions on the administration of the oral test are in the Teacher's/Examiner's Notes accompanying the Oral Assessment Cards. A summary is provided later in this booklet to be read in conjunction with general advice on submission of samples for moderation in the *Cambridge Handbook*.

7. Oral test guidance for Centres

General

- 1 The oral tests take place in the period before the main examination series as notified on the timetable. Each Centre decides on a convenient period within these dates for its oral tests.
- 2 Centres must ensure well in advance of the tests that a suitably quiet room is available and that recording equipment is in good order.
- 3 Centres must adhere to dates for completion of the oral tests and for the receipt of mark sheets and recordings to allow sufficient time for external moderation. It is vital that material does not arrive late.
- 4 There should be only one teacher/Examiner per Centre where possible. Each Centre will select its own teacher/Examiner. This is normally a teacher within the Afrikaans language department, but could be someone local from outside the Centre. A group of neighbouring Centres might choose the same teacher/Examiner to conduct all their tests; in such a case each Centre is still responsible for submitting properly completed forms and samples.
Centres with large numbers of candidates using more than one teacher/Examiner must make arrangements for internal moderation so that a common standard is applied to all candidates.
- 5 Centres entering candidates for the examination will receive a set of Oral Assessment Cards, notes about administration and forms for entering marks. Teachers/Examiners responsible for conducting the oral tests should familiarise themselves with these materials before the tests take place. The Oral Assessment Cards must remain confidential and the Centre must keep them in a secure place until the end of the examination period.
- 6 Each Centre must send to Cambridge the following:
 - (a) recorded sample
 - (b) completed Oral Examination Summary Form(s)
 - (c) completed MS1 Forms

Please adhere to instructions given on the forms about their completion and return.

(a) recorded sample

Each Centre must provide a sample of oral tests, recorded on cassette(s) or CD(s). The size of the sample required is given in the instructions on the back of the Oral Examination Summary Form. The teacher/Examiner responsible for internal standardisation at the Centre must ensure that the sample covers the whole mark range of the candidates at the Centre, with marks spaced as evenly as possible from the top mark awarded to the lowest. Where there is more than one teacher/Examiner involved, the sample must include in equal number candidates tested by all teacher/Examiners.

For instructions on recording the samples see section 15 below. Centres must label cassettes/CDs clearly with details of the candidates whose tests have been recorded.

(b) completed Oral Examination Summary Form(s)

Enter marks in detail for each candidate on this form. Please follow the instructions on the reverse of the form about completion.

Please be careful to check all mark additions. The Oral Examination Summary Form must show the breakdown of marks for all the candidates, not just those selected for the sample. Please put an asterisk (*) after the names of candidates whose tests have been recorded on the cassette/CD.

(c) completed MS1 Forms

This is a computer-printed mark sheet provided by Cambridge. Complete it by transferring the mark for each candidate from the Total Mark column on the Oral Examination Summary Form. Please follow the instructions on the form about completion and return.

As an alternative to the submission of the MS1 Mark Sheet, Centres may submit coursework marks in electronic form. If marks are submitted this way, a signed print-out of the marks file should be sent in place of the second copy of the MS1.

- 7 Immediately after completing the oral tests, Centres should send to Cambridge the sample cassette(s)/ CD(s) along with completed MS1 and Oral Examination Summary Form(s). Please do not wait until the end of the assessment period before sending them.

Conducting the oral tests

- 8 The procedure for oral tests should be as follows:

- (A) Give the candidate's name and number. Welcome the candidate(s) and explain briefly what is going to happen in the course of the test.
- (B) Warm-up section: conduct a general conversation by asking the candidate(s) a few questions about herself/himself, the school, etc. to give candidate(s) time to get used to the examination situation. The purpose of this section of the test is to put candidates at their ease. As a guide, spend about 2–3 minutes on this section.
- (C) Hand the Oral Assessment Card to the candidate. This must take place AFTER the warm-up section. Give any necessary explanation at this point, then allow a short preparation period (approximately 2–3 minutes) when the candidate may ask questions. The candidate may not make notes during this period. The examiner may leave the recorder on throughout this time, or turn it off. If turning it off, the Examiner should indicate this by saying 'The recording will be paused now': it is important for the moderator to know that the candidate has had an opportunity to study the card at this stage.
- (D) Main part of the test: conversation based on the Oral Assessment Card. Either the examiner or the candidate may start the conversation. This section of the test should last approximately 6–9 minutes.

The total duration of the oral test, from the beginning of (B) to the end of (D), should be approximately 10–15 minutes.

Only (D) is assessed.

The entire oral test must be conducted in Afrikaans.

- 9 The oral tests must take place under examination conditions. The Centre must provide adequate supervision to ensure that candidates leaving the room for the oral tests do not communicate with those waiting to enter.
- 10 No other person should be present during the oral test, with the exception of another teacher/Examiner, moderator or representative of Cambridge.
- 11 Candidates may be examined singly or in pairs. If the examiner records a pair of candidates, it is important for the external moderator to know which candidate is speaking at any one time. Therefore, pair two candidates whose voices are clearly dissimilar, and avoid pairing candidates with the same first names.
- 12 Candidates may not bring any notes into the examination room, and they may not use dictionaries.
- 13 There is a range of Oral Assessment Cards, and the teacher/Examiner (not the candidate) chooses the card for each candidate. The teacher/Examiner should use as wide a variety as possible of the cards during the oral tests at the Centre. In order to give candidates every chance to do themselves justice, the teacher/Examiner should select the Oral Assessment Card with care. The warm-up section may give the teacher/Examiner an indication of the best card to select. **Remember that the test is one of spoken language not subject knowledge: if it becomes apparent that the candidate finds the topic difficult or inappropriate it is perfectly permissible to move into more productive areas. There is no need to stick rigidly to the examiner prompts in such cases.**

- 14** The teacher/Examiner should face the candidate, with a table or desk in between. Candidates should not be able to see notes made on Oral Examination Summary Forms or similar paperwork.

Recording the sample

- 15** Centres must ensure that their recording equipment is in good working order. Before the Oral tests take place, Centres should test the recording equipment and the cassette(s)/CD(s) on site, ideally with one of the candidates. The warm-up section of the test also provides an opportunity to check audibility. Where possible, Centres should use a recorder with external microphones so that there is a separate microphone for the candidate and the teacher/Examiner. If there is only one microphone it should face the candidate.

It is important to check audibility levels before taping begins; avoid adjustments to the volume control during an examination. Take care to avoid extraneous noise and long gaps. Make checks throughout the oral testing session to ensure that voices are clearly audible.

With the exception of a permitted pause between the warm-up and the main part of the test, once the oral test has begun the cassette/CD should run without interruption.

For Centres using cassette tapes, the recording must begin at the start of Side 1. Use both sides of the cassette before beginning a new one. Do not start a candidate's oral test on one side and continue over to the second side. At the end of examining on each side of a cassette the teacher/Examiner should state "No further recordings on this side".

Each recording should begin with a clear statement by the teacher/Examiner as follows:

Centre Number:	[e.g.]	AZ 999
Centre Name:	[e.g.]	Abcxyz Academy
Examination:	0548	Afrikaans as a Second Language
Examiner Name:	[e.g.]	Ms Z. Abced
Date:	[e.g.]	1 October 2014"

The teacher/Examiner should give details of each candidate recorded on the sample as follows:

Candidate Number	[e.g.]	1234
Candidate Name	[e.g.]	Abdi Zachariah"

At the end of the sample the teacher/Examiner should state clearly "End of Sample". Before despatching the cassettes/CDs to Cambridge, make spot checks to ensure that every candidate is clearly audible. Please rewind cassettes to the start of Side 1, and clearly label the contents of each cassette/CD.

Oral Assessment Criteria grid (0548/5)

Give a mark out of 10 for each category (Structure, Vocabulary and Fluency), and then add these marks to give an overall total out of 30.

Mark	Structure [out of 10]	Vocabulary [out of 10]	Fluency [out of 10]
9–10	The candidate demonstrates ability to use a variety of structures accurately and consistently. There may be errors when sophistication is attempted, but the examiner is convinced that the candidate is confidently in control of the structures used.	The candidate shows enough command of vocabulary to respond with some precision. Shades of meaning are achieved and some sophisticated information/ideas are communicated. There will be only the occasional misuse of vocabulary.	The candidate shows sustained ability to maintain a conversation and to contribute at some length. The candidate can respond to change in direction of the conversation and perhaps initiate new topics. Pronunciation and intonation are appropriate, with only the occasional slip.
7–8	There may be mostly simple structures, but some more complex sentences will be attempted successfully. There will be some errors but these will not impede communication.	The candidate has a sufficient range of vocabulary to convey information and ideas but there is lack of precision. Vocabulary is not wide or varied.	The candidate responds relevantly to questions and at a length which makes frequent prompting unnecessary. Stress and intonation patterns are generally accurate. Little effort is required by the listener.
5–6	The candidate will be uneasy and error-prone when venturing beyond simple structures. However, simple accuracy will often be achieved and communication will be maintained.	Vocabulary conveys simple ideas and information clearly but lacks precision. There is some searching for words and hesitation when going beyond simplicity.	The candidate makes a real attempt to respond to questions. S/he may need frequent prompting and will tend to offer one sentence at a time, but keeps conversation going. Some noticeable inaccuracy of stress and intonation, but unlikely to impede communication.
3–4	Responses will usually be single words or very simple sentences – with errors. Error will tend to blur but not obscure communication.	Vocabulary will sometimes be inadequate to convey even simple ideas and there will be frequent pauses.	Responses tend to be brief and widely spaced. The candidate has to be encouraged to go beyond the single word response. Stress and intonation inaccuracy causes some communication difficulty, but candidate can usually be understood by a sympathetic listener.

1-2	Single word responses will be the norm and attempts at structured sentences will rarely achieve communication. However, some attempt at a response will be made at points during the interview.	Enough Afrikaans words are known to convey occasional snippets of information, but conversation will be very limited and confused.	Responses are so brief and imprecise that little is communicated. Use of single words is the norm, and there will be long gaps. Stress and intonation patterns cause difficulty for even the most sympathetic listener. Repetition is necessary to achieve communication.
0	Completely limited/no attempt at a response.	Completely limited/no attempt at a response.	No response/inaccuracy of stress and intonation prevents communication even after several repetitions.

A. INSTRUCTIONS FOR COMPLETING ORAL EXAMINATION SUMMARY FORMS

1. Complete the information at the head of the form.
2. List the candidates in an order which will allow ease of transfer of information to the computer-printed Internal Assessment Mark Sheet (MS1) at a later stage (i.e. in candidate number order, where this is known; see item B.1 below). Show the teaching group or set for each candidate. The initials of the teacher may be used to indicate group or set.
3. Indicate the Oral Assessment Card (Card with Oral Topics) used, the individual marks for each section and the total mark in the appropriate column.
4. The final column on the form is for the use of the External Moderator only.
5. The teacher completing the form and the internal moderator (where appropriate) should check the form and complete and sign the bottom portion.

B. PROCEDURES FOR EXTERNAL MODERATION

1. University of Cambridge International Examinations (Cambridge) sends a computer-printed Internal Assessment Mark Sheet (MS1) to each Centre showing the names and numbers of each candidate. Transfer the total mark for each candidate from the Oral Examination Summary Form to the MS1.
2. Despatch the top sheet of the MS1 to Cambridge as soon as possible, and no later than 31 October for the November series.
3. Send samples of the candidates' work covering the full ability range together with this Oral Examination Summary Form and the first copy of MS1 (marked 'This copy is to be sent to the Moderator'), to Cambridge as soon as possible, and no later than 31 October for the November series.
4. Indicate the candidates whose recorded oral tests have been selected for external moderation by means of an asterisk (*) against the candidates' names on the Oral Examination Summary Form. The size of the sample should be as follows:

Number of candidates entered	Number of candidates in sample
0–10	all candidates
11–50	10
51–100	15
above 100	20

5. Where more than one teacher is involved in marking the work, the sample must include candidates marked by all teachers. Candidates must be selected so that the whole range is covered, with marks spaced as evenly as possible from the top mark awarded to the lowest.
6. Cambridge reserves the right to ask for further samples of Oral Tests.

8. Additional information

8.1 Guided learning hours

Cambridge IGCSE syllabuses are designed on the assumption that candidates have about 130 guided learning hours per subject over the duration of the course. ('Guided learning hours' include direct teaching and any other supervised or directed study time. They do not include private study by the candidate.)

However, this figure is for guidance only, and the number of hours required may vary according to local curricular practice and the candidates' prior experience of the subject.

8.2 Recommended prior learning

Candidates beginning 0548 Afrikaans as a Second Language are expected to have had prior contact with Afrikaans at school and/or in their community.

8.3 Progression

Cambridge IGCSE Certificates are general qualifications that enable candidates to progress either directly to employment, or to proceed to further qualifications.

Candidates who are awarded grades C to A* in Cambridge IGCSE Afrikaans as a Second Language are well prepared to follow courses leading to Cambridge International AS Afrikaans Language and Cambridge International A Level Afrikaans, or the equivalent.

8.4 Component codes

Because of local variations, in some cases component codes will be different in instructions about making entries for examinations and timetables from those printed in this syllabus, but the component names will be unchanged to make identification straightforward.

8.5 Grading and reporting

Cambridge IGCSE results are shown by one of the grades A*, A, B, C, D, E, F or G indicating the standard achieved, Grade A* being the highest and Grade G the lowest. 'Ungraded' indicates that the candidate's performance fell short of the standard required for Grade G. 'Ungraded' will be reported on the statement of results but not on the certificate.

Percentage uniform marks are also provided on each candidate's statement of results to supplement their grade for a syllabus. They are determined in this way:

- A candidate who obtains...
 - ... the minimum mark necessary for a Grade A* obtains a percentage uniform mark of 90%.
 - ... the minimum mark necessary for a Grade A obtains a percentage uniform mark of 80%.
 - ... the minimum mark necessary for a Grade B obtains a percentage uniform mark of 70%.

- ... the minimum mark necessary for a Grade C obtains a percentage uniform mark of 60%.
- ... the minimum mark necessary for a Grade D obtains a percentage uniform mark of 50%.
- ... the minimum mark necessary for a Grade E obtains a percentage uniform mark of 40%.
- ... the minimum mark necessary for a Grade F obtains a percentage uniform mark of 30%.
- ... the minimum mark necessary for a Grade G obtains a percentage uniform mark of 20%.
- ... no marks receives a percentage uniform mark of 0%.

Candidates whose mark is none of the above receive a percentage mark in between those stated, according to the position of their mark in relation to the grade 'thresholds' (i.e. the minimum mark for obtaining a grade). For example, a candidate whose mark is halfway between the minimum for a Grade C and the minimum for a Grade D (and whose grade is therefore D) receives a percentage uniform mark of 55%.

The percentage uniform mark is stated at syllabus level only. It is not the same as the 'raw' mark obtained by the candidate, since it depends on the position of the grade thresholds (which may vary from one series to another and from one subject to another) and it has been turned into a percentage.

8.6 Access

Reasonable adjustments are made for disabled candidates in order to enable them to access the assessments and to demonstrate what they know and what they can do. For this reason, very few candidates will have a complete barrier to the assessment. Information on reasonable adjustments is found in the *Cambridge Handbook* which can be downloaded from the website www.cie.org.uk

Candidates who are unable to access part of the assessment, even after exploring all possibilities through reasonable adjustments, may still be able to receive an award based on the parts of the assessment they have taken.

8.7 Support and resources

Copies of syllabuses, the most recent question papers and Principal Examiners' reports for teachers are on the Syllabus and Support Materials CD-ROM, which we send to all Cambridge International Schools. They are also on our public website – go to www.cie.org.uk/igcse. Click the **Subjects** tab and choose your subject. For resources, click 'Resource List'.

You can use the 'Filter by' list to show all resources or only resources categorised as 'Endorsed by Cambridge'. Endorsed resources are written to align closely with the syllabus they support. They have been through a detailed quality-assurance process. As new resources are published, we review them against the syllabus and publish their details on the relevant resource list section of the website.

Additional syllabus-specific support is available from our secure Teacher Support website <http://teachers.cie.org.uk> which is available to teachers at registered Cambridge schools. It provides past question papers and examiner reports on previous examinations, as well as any extra resources such as schemes of work or examples of candidate responses. You can also find a range of subject communities on the Teacher Support website, where Cambridge teachers can share their own materials and join discussion groups.
