June 2013

8 hours

Candidates must have eight weeks' preparation time. The examination can be scheduled at any time provided it is completed no later than 30 April.

READ THESE INSTRUCTIONS FIRST

Write your Centre number, candidate number, name and question number on the labels provided and attach each one to the top right-hand corner of the front of **each** sheet of paper.

Answer **one** question.

In addition to the examination piece, up to **two** A2 sheets (four sides) of supporting studies should be submitted. These supporting studies should be undertaken after receipt of this paper and prior to the examination. Candidates should refer to this supporting work during the examination.

Designs should initially be developed on paper and candidates may choose to produce three-dimensional outcomes. In such cases the work must be photographically or digitally recorded.

Supporting studies must be taken into the examination room and **must** be submitted for external assessment together with the final examination work. The submission will be assessed as a whole.

At the end of the examination, place the final examination piece on top of the supporting studies and fasten all your work together in the top left-hand corner.

All questions in this paper carry equal marks.

This document consists of **3** printed pages and **1** blank page.

Develop your ideas from first-hand experience. You should create a name for the fruit juices.

- 4 Using the theme of **Traditional Toys**, design a wrapping paper for a chain of toy stores. Research the subject and develop a repeat pattern.

Research the subject, develop ideas and create a detailed full-colour design.

Produce a final design in a 3:1 horizontal format.

- 9** Design a roof garden for a hospital. The garden should be a restful and pleasant place for patients, staff and visitors. Consider seating, planted areas and different levels. Think carefully about colour, surface and three-dimensional forms.

Provide evidence of visual research, the development of your ideas and a final image of the planned garden.
