IGCSE Examinations**

NOVEMBER 2002

Syllabus	Comp
0400	4

This examination is in TWO sections.

Part 1 is a Personal Study or Investigation carried out by the candidate under the direction of the Centre. This usually takes the form of an A4 or A3 bound project in which the aims of the study are evaluated through a presentation in both visual and written form. An element of first hand research is expected and candidates gain experience and develop critical and presentation skills.

This is marked out of 100 according to the criteria grid as related in the syllabus

Part 2 is a short question paper given in advance in which candidates explore a theme and then write up their findings in illustrated essay form in a time of 1 hour 30 minutes.

This is marked out of 100 according to the criteria grid as related in the syllabus

Marks to BOTH part 1 and part 2 are added together to give a mark out of 200 which is then divided by two to give a final mark out of 100. Uneven division of a mark e.g. 80 and 77 is rounded up to 79.
