Frequently Asked Questions

How can I get in touch with other teachers of Business Studies?

We have an online discussion forum, which you may find useful. By being a member of the group teachers can share ideas, resources and ask subject-related questions which will be seen by examiners and other teachers who have registered on the group. For example, a teacher could ask how everyone is approaching a particular topic, what books they might recommend or simply find out who else is teaching their subject.

You can join the discussion group by going to the Teacher Support website:
