A Globalisation

It's often said that the world is becoming 'smaller' and that people are more in touch with each other than ever before.

Discuss this idea with the Examiner.

Please use the following ideas to help develop the conversation:

- occasions when you communicate with people around the world
- reasons why you think it's easier now to connect with people globally
- some issues that could be regarded as 'global'
- the extent to which your country has a global outlook
- the suggestion that individual cultures may be lost as a result of globalisation.

You are free to consider any other **related** ideas of your own.

Remember, you are not allowed to make any written notes.

Permission to reproduce items where third-party owned material protected by copyright is included has been sought and cleared where possible. B Ambition

We're all told that it is good to aim for improvement.

Discuss ambition with the Examiner.

Please use the following ideas to help develop the conversation:

- your own ambitions – at the moment and in the future
- some ambitious people you know about and what they have achieved
- positive characteristics that are connected with ambition
- some problems for the individual and society which are associated with being too ambitious
- society's response to people who appear not to be ambitious.

C Advertising

Advertising is used to persuade people to buy something or to believe something.

Discuss issues relating to advertising with the Examiner.

Please use the following ideas to help develop the conversation:

- any advertisements that you have seen or heard recently
- what you think makes a successful advertisement
- the suggestion that advertising does more harm than good
- the idea that there should be laws banning advertisements aimed at children
- what society would be like without advertising.

E Money matters

If you can't afford to pay for things, life can be really difficult.

Discuss this aspect of money with the Examiner.

Please use the following ideas to help develop the conversation:

- the things that you have to pay for on a regular basis
- activities you can enjoy which don't cost money
- services, activities or goods that are currently not free in your society that you believe should be free for everyone
- the suggestion that rich people should pay higher taxes to help poor people
- why there is extreme poverty in some parts of the world when there are also some very wealthy nations.
