I INTRODUCTION

International General Certificate of Secondary Education (IGCSE) syllabuses are designed as two-year courses for examination at age 16-plus.

All IGCSE syllabuses follow a general pattern. The main sections are:

- Aims
- Assessment Objectives
- Assessment
- Curriculum Content.

The IGCSE subjects have been categorised into groups, subjects within each group having similar Aims and Assessment Objectives.

English as A Second Language (E2L) falls into Group I, Languages, of the International Certificate of Education (ICE) subjects together with First Languages, other foreign languages, and Latin.

It is presumed that most candidates for English as a Second Language will have a primarily instrumental motivation – that is they will be studying the language in order to promote their educational or employment prospects. The rationale for English as a Second Language is based on the widespread use of English as the medium of instruction and as the language of commerce or entertainment. The subject matter of the examination material will reflect this international perspective. However, it will strive to be 'culture-fair' rather than 'culture-free', and will use authentic or 'semi-authentic' material from a range of sources.

Candidates will be expected to understand a wider range of social registers and styles than they can produce and to communicate appropriately.

The topics selected will relate to the interests and needs of the candidates in using English as a Second Language, e.g. education, the world of work, current affairs, health and welfare, travel, school affairs.

The kinds of settings to be used will be the ones that candidates are likely to encounter, e.g. in dealings with official and semi-official bodies, in studying for academic or occupational purposes, in places of work or in using public services.

II AIMS

The syllabus assesses students' ability to use English as a medium of practical communication, and is aimed at students for whom English is not a first language/mother tongue but for whom it is a lingua franca or language of study.

The aims set out below describe the general educational purposes of a course in an English as a Second Language IGCSE examination, and are the same for all students. They are not listed in order of priority.

The aims are to:

- 1 develop the ability to use English effectively for the purpose of practical communication
- 2 form a sound base for the skills required for further study or employment using English as the medium
- 3 develop an awareness of the nature of language and language-learning skills, along with skills of a more general application
- 4 promote students' personal development.

III ASSESSMENT OBJECTIVES

This syllabus assesses the receptive skills of Reading and Listening, and the productive skills of Writing and Speaking.

Assessment Objectives (AOs) have been grouped under skill headings, but it is recognised that these are interrelated.

General matters

Total mark: 30

Duration: approx. 30 – 40 minutes

For all parts of this component, candidates write their answers in spaces provided in a question paper booklet. Each question tests listening comprehension of recorded texts (e.g. dialogues, announcements, conversations, talks) on a compact disc (CD) played in the examination room. Each text is heard twice on the CD.

The CD is controlled by the invigilator of the examination, not the candidate(s). For details about room, equipment, acoustics, checking the CDs in advance and guidance on acoustics, teachers/invigilators should consult the relevant sections of the *Handbook for Centres* about the conduct of listening tests.

Dictionaries may not be used.

Candidates should attempt all questions.

Each text is heard twice on the CD.

The CD is controlled by the invigilator of the examination, not the candidate(s). Questions 9 and 10 – 12 marks

Assessment Objectives: L1, L2, L3, L4

Two exercises based on longer spoken texts (e.g. conversation, interview, monologue, talk), requiring short or sentence-length answers.

COMPONENT 5: Oral

Oral tests are conducted during a period before the main examination session (see relevant session's timetable). Materials for the test are despatched to Centres before this period, and once these have been opened the tests must be conducted as soon as possible, leaving sufficient time to ensure that material for external moderation is received by the advertised deadline.

At least five Oral Assessment Cards will be issued, with an accompanying set of teacher's notes. Each card will introduce a topic for discussion between the teacher/examiner and the candidate, together with suggestions for the development of the conversation.

Each candidate will be examined using **one** Oral Assessment Card selected by the teacher/examiner from the range provided.

The total duration of the oral test should be approximately 10-12 minutes, made up of:

- non-assessed 'warm-up' conversation (approximately 2-3 minutes)
- time for the candidate to read the Assessment Card and to prepare a response (no written notes are permitted) (approximately 2-3 minutes)
- assessed conversation (6-9 minutes)

Internal assessment will be conducted by a teacher/examiner at the Centre using the Oral Assessment Criteria grid (see the *Notes on Conducting the Oral Tests* section later in this booklet).

The teacher/examiner will usually be someone from the Centre's English Language department, but could be someone local from outside the Centre. In either case, the teacher/examiner must have been accredited by CIE to conduct oral tests, usually through successful completion of a Distance Training Pack (DTP), available from CIE Publications. In some cases, accreditation may be granted on the basis of prior experience of conducting similar tests; for this, permission should be sought in the first instance by writing to CIE enclosing a CV detailing relevant experience.

The teacher/examiner will conduct and internally assess the tests, and will submit a recorded sample of candidate's performances for external moderation by CIE. Centres will receive a brief report on the outcome of moderation.

Full instructions on the administration of the oral will be found in the Teachers/Examiner's Notes accompanying the Oral Test cards. A summary is provided later in this booklet, and should be read in conjunction with general advice on submission of samples for moderation in the *CIE Handbook for Centres*.

COMPONENT 6: Oral coursework [alternative to Component 5]

Centres will devise their own oral tasks. These may be carried out at any time during the year preceding the written examination to suit the individual situations of Centres, but a taped sample and the relevant documentation must be submitted to CIE by the advertised deadline (which is the same as that for Paper 5).

Each student will be assessed on **three** oral tasks, which will be internally assessed using the Oral Assessment Criteria grid (see the *Notes on Conducting the Oral Tests* section below).

Examples of suitable tasks include: role play situations; interviews; telephone conversations; paired or group discussions; debates. Centres are free to devise other appropriate tasks which will help candidates demonstrate the skills outlined in the Assessment Criteria grid. Further guidance on suitable types of task is given in the Distance Training Pack obtainable from CIE Publications.

The teacher/examiner for the tests will usually be someone from the Centre's English Language department, but could be someone local from outside the Centre. In either case, the teacher/examiner must have been accredited by CIE to conduct oral tests, usually through successful completion of a Distance Training Pack (DTP), available from CIE Publications. In some cases, accreditation may be granted on the basis of prior experience of conducting similar tests; for this, permission should be sought in the first instance by writing to CIE enclosing a CV detailing relevant experience.

The teacher/examiner will conduct and internally assess the tests, and will submit a recorded sample of candidate performances for external moderation by CIE. Centres will receive a brief report on the outcome of moderation. Internal assessment and submission of samples for moderation must be conducted in accordance with the instructions in the *CIE Handbook for Centres*.

VI NOTES ON CONDUCTING ORAL TESTS (0510/5)

GENERAL

- (i) The oral tests take place in the period before the main examination session as notified on the timetable. Each Centre decides on a convenient period within these dates for its oral tests. It is recommended that the tests are conducted within one week to allow sufficient time for a single Examiner to conduct all of the tests. See (iv) below.
- (ii) Centres must ensure well in advance of the tests that a suitably quiet room is available and that recording equipment is in good order.
- (iii) Centres must adhere to dates for completion of the oral tests and for the receipt of mark sheets and recordings to allow sufficient time for external moderation. It is vital that material does not arrive late.
- (iv) For Centres with 30 or fewer candidates, there should normally be just one examiner. Each Centre will select its own Examiner. This is normally a teacher within the English language department, but could be someone local from outside the Centre. A group of neighbouring Centres might choose the same teacher to conduct all their tests; in such a case each Centre is still responsible for submitting properly completed forms and samples.
Centres with more than 30 candidates may use more than one Examiner (applying the ratio of an additional Examiner for each 30 candidates). If using more than one Examiner, internal moderation must be carried out by the Centre so that a common standard is applied to all candidates.
- (v) Centres entering candidates for the examination will receive a set of Oral Test Cards, notes about administration and forms for entering marks. Teachers/Examiners responsible for conducting the oral tests should familiarise themselves with these materials before the tests are held. The Oral Test Cards must remain confidential and must be kept in a secure place by the Centre until the end of the examination period.
- (vi) Each Centre must send to CIE the following: (a) tape-recorded sample on cassette(s) or CDs; (b) completed MS1 Forms; (c) completed Oral Examination Summary Form(s). Please be careful to adhere to instructions given on the forms about their completion and return.

(a) Tape-recorded sample

Each Centre must provide a sample of oral tests, to be recorded on cassette(s) or CDs. The size of the sample required is given in the instructions on the back of the Oral Examination Summary Form.

Please ensure that you do not send the recordings of all the candidates (unless there are 10 or fewer). Ideally the sample should be transferred to one or two cassettes or CDs.

The teacher responsible for internal standardisation at the Centre must ensure that the sample covers the whole mark range of the candidates at the Centre, with marks spaced as evenly as possible from the top mark to the lowest mark. Where there is more than one teacher involved, the sample must include in equal number candidates tested by all teachers.

For instructions on recording the samples see section (xv) below. Cassettes/CDs must be clearly labelled with details of the candidates whose interviews have been recorded.

(b) Form MS1

This is a computer-printed mark sheet which is completed by transferring the mark for each candidate from the Total Mark column on the Oral Examination Summary Form.

(c) Oral Examination Summary Form

This is a document on which marks for each candidate are to be entered in detail. Instructions for its completion will be found on the reverse of the form.

Please be careful to check all mark additions. The Oral Examination Summary Form must show the breakdown of marks for all the candidates, not just those selected for the sample. Please put an asterisk (*) against the names of candidates whose interviews have been recorded on the cassette/CD.

- (vii) The sample cassette(s)/CDs along with completed MS1 and Oral Examination Summary Form should be returned as specified as soon as the oral tests have been completed at the Centre. Please do not wait until the end of the assessment period before sending them.

CONDUCTING THE ORAL TESTS

(viii) The oral tests should proceed along the following lines:

(A) Start the recording. Give the candidate's name and number. Welcome the candidate(s) and explain briefly what is going to happen in the course of the test.

(B) Warm-up section: conduct a general conversation by asking the candidate(s) a few questions about herself/himself, the school, etc. to give candidate(s) time to get used to the examination situation. The purpose of this section of the test is to put candidates at their ease. As a guide, about 2-3 minutes should be spent on this section.

(C) Hand the Oral Assessment Card to the candidate. This must take place AFTER the warm-up has taken place. Any necessary explanation should be given at this point, followed by a short preparation period (approximately 2-3 minutes), when the candidate is at liberty to ask questions. The candidate may not make notes during this period. The recorder should be paused by the Examiner while the candidate considers the Topic Card. The Examiner should indicate this by saying 'the tape/CD will now be paused' so that the External Moderator knows that the candidate is being given time to study the card.

(D) Main part of the test: conversation based on the Oral Assessment Card. Either the Examiner or the candidate may start the conversation. This section of the test should last approximately 6-9 minutes.

The total duration of the oral test, from the beginning of (B) to the end of (D), should be approximately 10-12 minutes.

Note that only (D) is to be assessed.

The oral test must be conducted in English throughout.

(ix) Examination conditions must prevail in the area where the oral tests take place. Adequate supervision must be provided to ensure that candidates leaving the room for the oral tests do not communicate with those waiting to enter.

(x) No other person should be present during the oral test, with the exception of another Teacher/Examiner, Moderator or representative of CIE.

(xi) Candidates may be examined singly or in pairs.

If paired examining is used, then please note the following:

- It is important for the External Moderator to know which candidate is speaking at any one time. This should be achieved by pairing two candidates whose voices are clearly dissimilar. Avoid pairing candidates with the same first names.
- A conversation must be maintained. Do not let the candidates enter into an informal 'chat' at any time. In this respect, it may be best not to pair good friends.
- Do not let a candidate ask a series of questions. The conversation must be equal (in terms of contribution) and at no time should one candidate proceed to interview the other.
- The Examiner should maintain a stronger presence in pair-examining. It is not appropriate for the Examiner to just 'sit back' and let the candidates get on with it. The Examiner needs to direct/control/monitor the conversation more than when examining candidates singly. It may be that the Examiner needs to intervene more often to ensure appropriate and fair discussion, and to maintain the thread/topic.
- It is best not to pair a strong candidate with a weak one. Try to pair candidates of roughly equal ability.
- Think again if you are examining in pairs simply to speed up the process of completing the Oral Tests. Please recognise that the candidates should be given their best chance of success which might not occur when talking in a pair with an unsuitable partner.
- Do not give different Topic Cards to each candidate. The conversation must be a three-way conversation based on a single topic.

- (xii) Candidates are not allowed to bring any notes into the examination room, nor are they allowed to consult dictionaries.
- (xiii) A range of Oral Assessment cards is provided, and the Examiner (not the candidate) chooses the card to be used for each candidate. As wide a variety as possible of the cards should be used during the oral tests at the Centre. In order that candidates are given every chance to do themselves justice, the Assessment Card should be selected with care. The warm-up may give the Examiner an indication of the best card to select. **Remember that the test is one of spoken language not subject knowledge: if it becomes apparent that the candidate finds the topic difficult or inappropriate it is perfectly permissible to move into more productive areas. There is no need to stick rigidly to the Examiner prompts in such cases.**
- (xiv) The Examiner should be positioned so that s/he is facing the candidate, with a table or desk in between. Candidates should not be able to see notes made on Oral Examination Summary Forms or similar paperwork.

RECORDING THE SAMPLE

- (xv) Centres must ensure that their recording equipment is in good working order. The recorder and the cassette(s)/CDs should be tested on site, some time before the actual oral tests, ideally with one of the candidates. The warm-up section of the test also provides an opportunity to check audibility. Where possible it is advisable to use a recorder with external microphones so that separate microphones can be used for candidate and Examiner. If only one microphone is used it should be placed facing the candidate.

It is important to check audibility levels before recording begins; adjustments to the volume control during an examination should normally be avoided. Care should be taken to avoid extraneous noise and long gaps. Checks should be made throughout the oral testing session to ensure that voices are clearly audible.

With the exception of a permitted pause between the warm-up and the main part of the test, once the oral test has begun the recording should continue without interruption.

For Centres using cassette tapes, the recording must begin at the start of Side 1, and both sides of the cassette should be used before beginning a new cassette. A candidate's oral test should not be started on one side and continue over to the second side. At the end of examining on each side of a cassette the Examiner should state "No further recordings on this side".

Each cassette/CD should begin with a clear statement by the Examiner as follows:

Centre Number:	[e.g.]	AZ 999
Centre Name:	[e.g.]	Abcxyz Academy
Examination:	0510	English as a Second Language
Examiner Name:	[e.g.]	Ms Z. Abced
Date:	[e.g.]	1 October 2008"

Each candidate recorded on the sample should be clearly indicated by the teacher as follows:

"Candidate Number	[e.g.]	1234
Candidate Name	[e.g.]	Abdi Zachariah"

At the end of the sample the Examiner should state clearly "End of Sample".

Before the cassette/CD is despatched, spot checks must be made to ensure that every candidate is clearly audible. Cassettes should be rewound to the start of Side 1. The contents of each cassette/CD must be clearly labelled.

ORAL ASSESSMENT CRITERIA GRID (0510/5 and 0510/6)

Give a mark out of 10 for each category (structure, vocabulary, development and fluency), and then add these marks to give an overall total out of 30.

Mark	Structure	Vocabulary	Development and Fluency
9-10	The candidate demonstrates ability to use a variety of structures accurately and consistently. The candidate is confidently in control of the structures used.	The candidate shows enough command of vocabulary to respond with precision. Shades of meaning are achieved and some sophisticated ideas are communicated.	The candidate shows sustained ability to maintain a conversation and to contribute at some length. The candidate can respond to change in direction of the conversation. Pronunciation and intonation is clear.
7-8	Structures will be generally sound, but will not be used entirely accurately or with consistent confidence. There will be some errors in attempting to use more complex sentences.	The candidate has a sufficient range of vocabulary to convey information and ideas with competence. Errors are noticeable, however, when attempting to use more complex and precise vocabulary.	The candidate responds relevantly and at length which makes frequent prompting unnecessary, resulting in a competent conversation. Pronunciation and intonation is generally clear.
5-6	The candidate can use simple structures securely but has difficulty venturing beyond them.	Vocabulary conveys simple ideas and information clearly, though it is not wide or varied. There may be hesitation, repetition and searching for words.	The candidate makes an attempt to respond to questions and prompts. Effort will need to be made to develop the conversation; only partial success will be achieved. There is some lack of clarity of pronunciation and intonation, but it is unlikely to impede communication.
3-4	Structures will generally be very simple, limited and with errors, which will restrict communication.	Vocabulary will generally be inadequate to convey simple ideas.	Responses tend to be brief and widely spaced. The candidate has to be encouraged to go beyond short responses and struggles to develop a conversation. Pronunciation and intonation causes some communication difficulty.
1-2	Attempts at structured sentences will rarely achieve communication. However, some attempt at a response will be made during the discussion.	Use of single words is the norm and there will be long gaps.	Responses are so brief that little is communicated. The candidate hardly engages in a conversation. Pronunciation and intonation patterns cause difficulty for even the most sympathetic listener.
0	Completely limited/no attempt at a response.	Completely limited/no attempt at a response.	Completely limited/no attempt at a response.

VII GRADE DESCRIPTIONS

Grade descriptions are provided to give a general indication of the standards of achievement likely to have been shown by candidates awarded particular grades. The grade awarded will depend in practice upon the extent to which the candidate has met the assessment objectives overall, and may conceal weakness in one aspect of the examination that is balanced by above-average performance on some other.

At **Grade A** the candidate has demonstrated expertise by:

- understanding and communicating arguments, ideas and information both at a straightforward and a more complex level;
- structuring work overall so that the reader can follow the argument from the beginning to the end;
- selecting material from texts and developing it in relationship to the question, sufficient to show some independence of thought;
- describing and reflecting upon experience and expressing effectively what is felt and imagined;
- recognising and explaining underlying meaning and the writer's attitude to the subject matter;
- varying style straightforwardly in different types of writing and giving evidence of a good range of language;
- spelling and punctuating accurately, with few, if any, mistakes;
- using well constructed paragraphs and sentences (of average complexity) and obeying standard grammatical conventions;
- speaking clearly and confidently in response to other speakers and occasionally taking the initiative.

At **Grade C** the candidate has demonstrated competence by:

- understanding and communicating arguments, ideas and information at a straightforward level;
- ensuring that all work has a clear beginning, middle and ending, and that ideas generally follow on from one another;
- selecting material from texts in answer to questions and providing straightforward explanations and developments to show relevance;
- recognising more obvious meanings and attitudes;
- writing with some knowledge of style and the possibility of varying it according to different types of writing; using a range of language adequate to all the tasks set;
- spelling and punctuating with accuracy so that communication is not impaired;
- using adequate paragraphing and some variety of sentence construction;
- speaking clearly with some confidence, mostly in response to the directions of other speakers; showing a readiness to listen to others and to respond appropriately.

At **Grade F** the candidate has demonstrated a basic level of competence by:

- understanding and communicating information at a basic level;
- ensuring that all work has a basic sequence;
- selecting material from texts in answer to questions and providing basic explanations;
- recognising straightforward meanings and attitudes;
- writing at least in single sentences with the possibility of sentence variety according to different types of writing; using language adequate to some of the tasks set;
- spelling and punctuating so that weaknesses do not seriously impair communication;
- using occasional paragraphing and variety of sentence construction, with some regard to everyday grammatical conventions;
- speaking with some confidence, but usually in response to the directions of other speakers; showing a readiness to listen to others and to respond.

A. INSTRUCTIONS FOR COMPLETING ORAL ASSESSMENT SUMMARY FORMS

1. Complete the information at the head of the form.
2. List the candidates in an order which will allow ease of transfer of information to a computer-printed mark sheet MS1 at a later stage (i.e. in candidate index number order, where this is known; see item B.1 below). Show the teaching group or set for each candidate. The initials of the teacher may be used to indicate group or set.
3. Indicate the Oral Assessment Card (Card with Oral Topics) used, the individual marks for each section and the total mark in the appropriate column.
4. The final column on the form is for the use of the External Moderator only.
5. The teacher completing the form and the internal moderator (where appropriate) should check the form and complete and sign the bottom portion.

B. PROCEDURES FOR EXTERNAL MODERATION

1. University of Cambridge International Examinations (CIE) sends a computer-printed mark sheet MS1 to each Centre showing the names and index numbers of each candidate. Transfer the total mark for each candidate from the Oral Examination Summary Form to the computer-printed mark sheet MS1.
2. Despatch the top sheet of the computer-printed mark sheet MS1 to CIE as soon as possible, and no later than 30 April for the June session and 31 October for the November session.
3. Send samples of the candidates' work covering the full ability range together with this Summary Form and the first copy of MS1 (marked 'This copy is to be sent to the Moderator), to CIE as soon as possible, and no later than 30 April for the June session and 31 October for the November session.
4. Indicate the candidates whose recorded oral tests have been selected for external moderation by means of an asterisk (*) against the candidates' names on the Oral Examination Summary Form. The size of the sample should be as follows:

number of candidates entered	Number of candidates in sample
0-10	all candidates
11-50	10
51-100	15
101-200	20
above 200	10% of candidates

5. Where more than one teacher is involved in marking the work, the sample must include candidates marked by all teachers. Candidates must be selected so that the whole range is covered, with marks spaced as evenly as possible from the top mark to the lowest mark.
6. CIE reserves the right to ask for further samples of oral examinations.

INSTRUCTIONS FOR COMPLETING INDIVIDUAL RECORD CARDS

1. Complete the information at the head of the form.
