0493 ISLAMIYAT

Due to a security breach we required all candidates in Pakistan who sat the Islamiyat papers to attend a re-sit examination in June 2013. Candidates outside of Pakistan sat only the original papers and were not involved in a re-sit.

UNIVERSITY of CAMBRIDGE International Examinations

ISLAMIYAT

International General Certificate of Secondary Education

Grade thresholds taken for Syllabus 0493 (Islamiyat) in the May/June 2013 examination.

	maximum mark available	minimum mark required for grade:					
		A	С	Е	F		
Component 1	50	32	22	15	13		
Component 2	50	31	24	19	17		
Component 41	50	29	20	14	12		
Component 42	50	28	20	14	12		

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is **100**.

The overall thresholds for the different grades were set as follows.

Option	Combination of components	A *	Α	В	С	D	Е	F	G
А	01, 02	72	63	53	46	40	34	30	26
Р	41, 42	66	57	47	40	34	28	24	20

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
