Notes	Mark Scheme	Syllabus
	IGCSE EXAMINATIONS – JUNE 2003	0580/0581

#### **TYPES OF MARK**

Most of the marks (those without prefixes, and 'B' marks) are given for accurate results, drawings or statements.

- **M** marks are given for a correct method.
- **B** marks are given for a correct statement or step.
- A marks are given for an accurate answer following a correct method.

#### ABBREVIATIONS

a.r.t. b.o.d.	Anything rounding to Benefit of the doubt has been given to the candidate
c.a.o.	Correct answer <b>only</b> (i.e. no 'follow through')
e.e.o.	Each error or omission
0.e.	Or equivalent
SC	Special case
s.o.i.	Seen or implied
ww	Without working
www	Without wrong working
$\checkmark$	Work followed through after an error: no further error made
$\sqrt{-}$	Work followed through and another error found
