**Comments on specific questions**

**Section A**

**Question 1**

Generally, this passage was well translated. However, two words caused problems for some candidates. The word '*forest*' was wrongly translated into '*jungle*', '*zoo*' and '*florist*'. The word '*wolves*', was translated into '*foxes*', '*lions*', '*hyenas*', '*bears*', '*flies*' and '*insects*'.

**Question 2**

Most candidates managed to translate this passage adequately and correctly. Candidates are advised not to use the word *and* between English sentences so often as this conjunction is used differently from the equivalent word in Arabic.

**Section B**

Nearly all candidates were able to answer all the questions confidently, and obtained full marks.
