Candidates must answer **one** question.

At the end of the examination, candidates must be instructed to write their Centre number, candidate number and name clearly on the top **right**-hand corner of the front of their work.

Both questions in this paper carry equal marks.

This document consists of **2** printed pages.

Drawing and/or Painting from a Living Person

Candidates must choose **one** of the options below.

Candidates should be instructed that, in either question, the relevant parts of the model's surroundings should be considered as part of the study.

- 1 The model is seated with an elbow resting on the arm of a chair with their hand against their chin. One foot is placed further forward than the other.

*Candidates should be instructed that they are to make a study of the whole figure. They may **also**, if they wish, include studies of other details such as the head or hands. These may be completed on an additional sheet.*

- 2 The model lies on a couch or bed with their head and shoulders resting on a pillow or cushion.

*Candidates should be instructed that they are to make a study mainly of the head. They may **also**, if they wish, include extra studies of details such as the hands or parts of the head. These may be completed on an additional sheet.*
