By the end of the last century, the college had outgrown its buildings and a new programme was started. *run on*

We are pleased to say that this programme is now complete and all students will benefit from the extra space and modern facilities available.

A wide variety of
Courses are available to both part-time and full-time students and classes are held during the day and in the evenings.

We now have our own website on the internet and a fully-illustrated prospectus is available on request.

Staffing

We employ only the most highly qualified & dedicated staff to teach our small classes.

Our tutors are very experienced & knowledgeable in their specialist fields.

Fees

(+ still remains)

Our aim has always been to offer education at affordable prices. Whilst charges for L.C/ courses may fluctuate we assure our students that we sh do all in our power step/ to keep ~~fees~~ ~~rates~~ as low as possible.

Buildings

An extensive building programme was undertaken during 2000 and the college now boasts some of the most modern and well-equipped teaching facilities in the country.

- 2 The college has received an enquiry from Miss Loveness Mphanje of P.O. Box 291 Maseru, Lesotho making enquiries about a course at the college.

Miss Mphanje wants to study Business Studies to examination level by way of a full-time course starting in January 2003.

She will be moving to Johannesburg for 1 year and would like to know whether the College can help her to find accommodation.

Compose a reply to Miss Mphanje and print a copy on the headed paper provided (insert).
[30]

- Thank her for her enquiry which was received yesterday.
- Tell her the college can offer a full-time course in Business Studies which includes subjects such as Business Practice, Commerce, Accountancy, Information Technology and Secretarial Skills.
- Assure her that she will be able to take external examinations in all subjects and also a group certificate, at the end of her course. The college enters mainly for Cambridge International Examinations at O level.
- Point out that the College Students' Union provides social sporting activities. See Prospectus. Wednesday afternoons are off-timetable to enable students to participate in organised sports.
- Say you are enclosing a Prospectus in which she will find full details of the courses and fees.
- Unfortunately the college cannot help with accommodation but tell her there is a large Youth Hostel in Johannesburg which may be able to help her. Alternatively she could look on the Internet for suitable accommodation in the city.

I am sure you will agree that we want to make the new term, starting in January 2003, a record year. [The extensive building development programme recently undertaken has left the college with a large ^{bank} overdraft which we need to reduce as soon as possible.

I intend to hold a ^{full} staff meeting early next month to outline my ideas for improving student numbers.

All staff will be expected to attend this meeting and, in the meantime, I would ask everyone to consider how numbers attending our courses can be increased.

I look forward to a lively and inspiring meeting.

(b) Produce the following Notice of Meeting on A4 plain paper.
