Recipe books may be used during the planning session only. Write your **index number** and the **letter and number of the test** on your plan and list. Give them, with this question paper, to the Supervisor. You may not take away a copy of the test or of your plan or any notes, and you may not bring fresh notes to the practical examination. You may, if you wish, take a copy of the list of ingredients, equipment and materials you will require.

The question paper, plan and list will be returned to you by the Examiner at the beginning of the Practical Test. You will be expected to keep to your plan. At the end of the examination, the plan, list and question paper are to be handed to the Examiner.
