

Schemes of Work O level Pakistan Studies (2059) Paper 1: The History and Culture of Pakistan

Overview

It is recommended that this scheme of work is read in conjunction with the syllabus for 2059, O level Pakistan Studies (Paper 1).

The suggested order through the units in the Scheme of Work remains largely unchanged from the order set out in the syllabus content.

No indication of teaching time is suggested as it is realised that Centres will organise their timetables and teaching time in a variety of different ways. Each unit presented in the Scheme of Work is not necessarily of the same length.

General resources

The following texts are recommended as they follow closely the O level Pakistan Studies (Paper 1) syllabus and have been endorsed by CIE. References to these texts will be found throughout the Scheme of Work. Extensive use of resources to be found on the World Wide Web is also encouraged and many of these are also suggested in the Schemes of Work.
