

CSP Essay Tips:

- 1- Always Write to the point.
- 2-Relevant outline (Main thing)
- 3-First paragraph must describe the whole essay in maximum 5/6 sentences.
- 4-Coherent, Organized and each passage must be logically leading to the next one and so on ..
- 5-Quality is very important rather than quantity (I never wrote more than 2800 words and not more than 10 pages)= Approximately 300 words/page.
- 6-Prose Writing .
- 7- Truly relevant quotes to support your arguments.
- 8- Intellectual depth. Read more and more books :Philosophy, Political Science, Law and Literature etc etc.
- 9-No idea should repeat...
- 10- Practice makes perfect.( I use to write an essay on every Sunday).
- 11- Many other important things which I ll share after my project.

(Success smiles on ordinary people with extra- ordinary hard work.)
