

# Pakistan Education System

## Introduction

### Necessity of Education

- Personal Level
- Community Level
- National Level

### Educational Hierarchy

- Primary
- Lower Secondary
- Secondary
- Higher Secondary
- Graduation
- Post Graduation

### Centers of Education

- Government
- Private

### Educational Comparisons

- Education, Before and After Partition
- Education Comparison Between
  - o West and Pakistan
  - o India and Pakistan
- UNESCO Educational Ratings
- Human Development Index (HDI)

### SWOT Analysis

#### Strengths

- Encouragement via Media
- Free Primary Education by Government
- Self-Determination due to High Inflation

#### Weakness

- Political Interference
- Crippled Examination System
- Outdated Course Outline
- Improper Teachers Training
- Phantom Schools
- Unhygienic School Environment
- Immoral Theoretical Strategy (ratification)

#### Opportunity

- Well utilization of Foreign Funds
- Import Quality Education Books due to Good Western Assistance
- More grants for US-UK-AUS Scholarships

#### Threats

- Inaccessibility
- Inadequate Resources
- Inadequate Quality
- Urban/Rural Division

### Recommendation and Suggestions

### Conclusion
