

# Tourism

## Introduction

### What is the criteria to call one a tourist .

e.g In pakistan tourist from abroad must stay at least 24 hours and no more than 6 month etc

### Inputs and expectation from tourism industries.

When the Tourism started as a Tertiary Industry in world and in Pakistan.

### Role of tourism in the Economy and GDP

Some facts and figures Tourism related with other industries , services , primary and secondary industries , employment etc. Image Building

### Tourism in European , East and SouthEast Asian

countries Tourism in South Asia India and Srilanka despite having problems

## Tourism in Pakistan

Foreign Tourism and Domestic tourism

### Geographical tourism

All four climates throughout the year. Highest mountain ranges , vast deserts , snow covered peaks , salt ranges. Beautiful climates lakes . Over 37 peaks over 7000 meters , highest number of peaks in the smallest area. After Antarctica northern areas for their snow.

### Cultural and archaeological Tourism

Indus valley civilization , Taxila (once a centre of budhist civilization), Mughal architecture gardens ,buildings and tombs . Faisal mosque to Minar-e-Pakistan . Cultural diversity plus kelash valley

### Relegious Tourism

Mosques , tombes , shrines , tableeghi jamaat 2 million , sikh yatrii

### Flaura and fauna

Stats of tourist coming purpose of rare animals and hunting of migrating birds(:S).

### Role of PTDC

Current Infrastructure , health , transport facilities Dilapidated conditions of monuments In detail E.g Shandhoor polo over 12000 above seal level but no infrastructure

### Terrorism a stumbling block in the flourishing of tourist industry

Decline after 1983 due to Afghan refugee NWFP demands compensation money from govt due to its refugee policy War in Afghanistan, Talabnization , extremism , swat dir bajur malakand Relationship with India and china and other saarc countries.

(this could be well extended to 10 pages at least and this will be the main focus of my essay)

## Prospects of Tourism in Pakistan and in world

Bright future ahead. ( I heard from news that by 2020 every 9 out of 10 person will be directly or indirectly related to tourism)

### Measure that Pakistan should take[/LIST]Epilogue
