E.H. Gombrich Code : 9780300143324
Pub Price : 14.95 US\$
Toward the end of his long life, Gombrich embarked upon a revision and, at last, an English translation. A Little History Of the World presents his lively and involving history to English-language readers for the first time. In forty concise chapters, Gombrich tells the story of man from the Stone Age to the atomicbomb. In between emerges a colorful picture of war and conquests grand works of art. and the spread and limitations of science.

Preparing For The Twenty First Century
Paul Kennedy Code : 9780394584430
Pub Price : 25 US\$ In preparing for the twenty first Century Kennedy addresses a larger and uniquely modern question how will transnational forces in a world of scarce resources; instant communications and exploding population affect the nations of the world and the people who inhabit them as the new century dawns?

Preparing For The Twenty First Century
Paul Kennedy Code : 9780002157056
Pub Price : 14 US\$ Paul Kennedy's outstanding new book is the first to tackle it with any real historical rigour. He ranges across five centuries and around the whole world. He seems to have read every relevant book in every possible language. And he has produced a general argument so deceptively simple that no politician, however busy should our misunderstand it.
