

Contour interval 20 metres

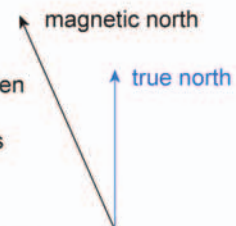

SURVEY SYSTEM INFORMATION

The topographic map is overprinted with information relating to South Africa's survey system, which is used to record property boundaries. Each main section has a particular name and number.

KEY Section boundary Name and number **ZAND RIVIER 106**

Each section is sub-divided into smaller portions and land parcels (e.g. a farm or town lot) that are not shown on the map. Land may be owned privately or by the government.

The angle between true north and magnetic north is $24^{\circ}51'$ west
