WRITING TASK 2*To be answered in the script book in pen, not pencil.**You are advised to allocate 30 minutes to this task.*

Consider the statements below.

Develop a piece of writing presenting your view of **one or more** of the statements.

Your piece of writing will be judged on:

- the quality of what you say about the issue, regardless of the point of view you express; and
- how effectively you express yourself.

We do not have a right to say or do whatever we like. There are general community standards of speech and action that should be respected and preserved.

Freedom of expression is a basic democratic right, and censorship is fundamentally undemocratic.

Those who object to certain kinds of entertainment do not have to listen to or watch what they do not like.

Community standards are declining. What some people think of as being honest is really just being crude and coarse.
