Ensure that each floppy disk is correctly labelled with your **student number**.

You are also required to write your initials on each floppy disk if your student number is correct.

All the examination tasks, including the **assets** required to complete the **practical tasks**, have been loaded on to your computer.

The examination tasks will be completed entirely electronically using the computer you have been allocated.

Ensure that the appropriate floppy disk is inserted before commencing work on each question or task.

Due to **file size limitations** in saving a multimedia file to floppy disk, it is essential that you carefully follow the instructions regarding the **composition** and **length** of your multimedia productions.

If you have the appropriate floppy disk in the disk drive you can review and modify your answers.

All responses must be in English.

Select a question or task from the menu at the left, or press the 'NEXT' button to proceed.
