

Instructions for Section C

EXIT

SECTION C – Practical Task

40 Marks

Complete **all** parts of this task.

You are required to complete this task using

- the software applications installed on your computer
- the assets for the practical task contained in your practical work folder

Your answers to this section will **not** be saved automatically.

You must save your finished work to your practical work folder.

A shortcut to your practical work folder has been placed on the desktop.

Use this shortcut to move from the examination to your practical work folder. The shortcut to your practical work folder is called

'Shortcut to 12345678A_P'

Remember to save your work at each step.

You should spend approximately 60 minutes on Section C.

DO NOT OVERWRITE THE SOURCE FILES.

Scenario

The youth radio station 103.4 YRR is designing a website. Some of the pages have already been prepared. You need to create a web page and add content, navigation and an animated logo according to the following design guide, style guide and instructions.

Assets provided

building.tif – image of station headquarters
background.txt – background of radio station
presenters.htm – our presenters
history.htm – our history
program.htm – our program

Style guide

Promotional heading

Font face: arial or helvetica
style: bold
colour: #cc3300
size: 18 pt

Body text
Font face: arial or helvetica
style: regular
colour: black
size: 11 pt
